

Information Brochure

**ARYABHATTA INSTITUTE OF
NURSING & PARAMEDICAL**

Message from Secretary..

Aryabhata Institute of Nursing & Paramedical sponsored by AHEAD Society was established to impart quality and sustainable education. It is born out of the belief of Sri S.K.Tiwari that education is the engine to transform society. We have always believed that excellence should be our motto. Excellence which will deliver professional manpower to the industry and the nation at large. The group has constantly strived to provide the best of the faculty members and state-of-art facilities. The students are encouraged and supported not only to excel in academics but also to develop their personality through extracurricular activities. We are committed to brighten and enlighten the society. The education is the vehicle for social engineering. We welcome you to a part of this young and vibrant family. I am extremely pleased to forward this institute brochure.

Best wishes

OBJECTIVE

1. To develop individuals who can provide leadership in health Industry and contribute Policy making at the highest level
2. To understand and develop community resources which could be utilized for health promotion, health maintenance & prevention of the disease.
3. To promote community development activities.
4. To help society deals in the basic health care activities in community.
5. To enrich the students with the real life case studies presented by speakers/Guest faculty helping them to broaden their understanding and perspective of issues at the centre stage.

AINP at A Glance

The Institute has got excellent infrastructure to provide quality education. Spacious room with modern furniture and audio visual aid are available for attentive classes. The laboratories are well equipped with modern facilities. The School is functioning in the form of network office administration with the help of online information system. Besides games, canteen, recreation room, health centre and cyber cafe, transportation facilities includes well maintained school buses are also available for our student's need.

Laboratory

The laboratories are well equipped with adequate number of scientific instrument so that each student can get full exposure & chance to handle them. Computer interference with related equipments are emphasized during course.

Faculty

Faculties are the main pillar of any Institute. Realizing this fact, the School has appointed senior and well qualified faculty members who are expertise in their respective field. The full time faculty members are available in the Institute.
